Subject: Inspection of site/premises where Rooftop Solar PV System under Net Metering Arrangement is to be installed.

With reference to your application no. B11-517-5017-18 dated 19/05/2017 regarding Rooftop Solar PV System under Net Metering Arrangement for HT Industry category. In this connection it is intimated that the authorized official of B11 subdivision will visit your premise, as mentioned in the application dated 31/05/2017 and will undertake following task during the visit:-

The site verification cum technical feasibility report shall be carried out for installation of Rooftop Solar PV System under Net Metering Arrangement with the consultation of the consumer

1. Provided that the Rooftop Solar PV system shall be laid at an accessible location.
2. The meter shall be fixed outside or at the entry point of the premises in such a manner that it is protected from rain etc. and is easily accessible without getting the premises unlocked or opened for the purpose of meter reading etc.
3. The Complete address, landmarks near the premises and the pole number shall be noted down where net metering connection is proposed.

This is for your kind information please.
